Nadia Mason Personnel

Re: Recruitment of Staff

It gives me a great pleasure to let you know that I am highly impressed with your services. Whenever I needed your assistance in finding me a suitable candidate for employment you were able to do so at short notice and meet my requirements.

At times it was difficult to decide whom to employ because of the calibre of candidates that you were able to recommend. Your consultants are friendly, have the ability to give sound advice, customer focused and professional in carrying out their duties.

Your agency is highly recommended and be assured that I will continue to use Nadia Mason Personnel as my first choice for recruitment of temporary and permanent staff.

Yours sincerely
