To Whom It May Concern

RE: Nadia Mason and Associates

This is to confirm that the Services SETA have used Nadia Mason Personnel to perform recruitment for placements for Human Resource Internship in the Services SETA Western Cape.

The staff of Nadia Mason was very professional and extremely friendly and helpful.

We have received excellent service from them thus far.

It is a great privilege to use a company that has such a good quality service and handles everything in such a professional way in which they handled the whole recruitment process:

- *From the interviews*
- *To the short listing process also the*
- *Constant feedback and the*
- *Follow-up once the placements were done.*

We would surely consider using them again if a placement opportunity should arise.

If you require any more information you are most welcome to contact me.

Thanking you,
